A MESSAGE FROM THE PRESIDENT

Hello Starlight Residents!

We have had a great past month with over 200 residents getting their vaccinations and second shots being distributed on May 19th. Also, we have a big food giveaway on June 22nd. We have arranged home health care from Dispatch Health and many residents have already taken advantage of the service with excellent results. I will be available to speak with anyone by appointment. Text me or call me and it will be arranged.

I want to thank all the residents for their suggestions for improving the park including the gate system that still needs much work including cameras which should be coming over the summer. I realize we still have issues to be resolved and the board is working hard to address them.

We need to be united as a group and work together to achieve our goals. I believe we can get it done with your help. One final note, the new security company is in place. The name is Platinum Security. I will be posting their info and contact information at both clubhouses.

Thanks again and have a great month.

James Irvine, HOA President

Un mensaje del president del HOA

Hola, residentes de Starlight Ranch!
Hemos tenido un gran mes. Pues sobre 200 residentes se vacunaron y la segunda es para Mayo 19. Tambien vamos a dar alimentos en Junio 22.

Hemos organizado cuidados en el hogar de Dispatch Health. Muchos de los residentes han tomado ventaja de este servicio con excelente resultados. Yo voy a estar disponible para consultar con ustedes por cita. Llamame o mensaje de texto.

Quiero dar le las gracias a los residentes que han dado sugerencias como mejorar el parque incluso el sistema del porton, que necesita mucho trabajo. Incluso camaras que estan por venir en el verano.

Yo reconozco que tenemos asuntos que resolver y la junta del HOA esta trabajando duro para Alcantara. Tenemos que estar unidos como grupo para alcanzar nuestras metas. Yo si pienso que podemos con ustedes a nuestro lado.

Una nota final.....

La compania de seguridad ya esta. Se llama Platinum Security. Yo voy a postear el numero de contacto y informacion en las dos Casas Clubs.

Gracias otra vez mas que tengan un buen mes.

James Irvine

WHAT IS GOING ON WITH COVID?

There has been a great deal of mixed messages coming out about Covid 19 and the guidelines we are to be following to remain as safe as we can to avoid the transmission of the actual virus.

We wanted to take a look at what has transpired and the latest information that has become available to all of us.

First off, it is important to know that state and federal guidelines can differ from one another. Also, the rights of businesses to determine for themselves what they feel is best for their employees and their patrons.

In the last couple of weeks, we have received information that the CDC has determined it is acceptable for those who are completely vaccinated to not have to wear masks inside or outside. This has caused a great deal of confusion because no one knows for sure if someone has become fully vaccinated or not.

Whether you are vaccinated or not is a personal choice. As of now, there are no state or federal laws requiring anyone to show proof of vaccination. However, most vaccination sites have suggested that those who have, should take a picture of the card they received confirming the shot(s) on their phone. Once you do that, they suggest you keep the card somewhere safe in case you need it. There have been reports that eventually most people will need a "booster" shot at some point.

Whether you choose to get vaccinated or not, it is suggested that you wear a mask when you feel it becomes necessary in cases where large crowds are gathered. **YOU** determine for yourself what is best for you.

HELPFUL HINT...

Summer is officially here and we all know how hot and humid it gets in Florida! Make sure you stay hydrated by drinking lots of water. It is always suggested that we drink at least 8 glasses of water a day. That being said, get a container dispenser that holds that amount of water and fill it everyday and drink it all to make sure you get the recommended amount.

WHAT YOU'RE MISSING!

If you stay in touch with the monthly calendars and read the signs put up in the clubhouses and mailbox areas, you will see activities are coming back to Starlight Ranch!

We wanted to remind you that **BINGO** is back on Monday nights and the opportunity to have some fun and make some money in the meantime is right at your fingertips!

Bingo is every Monday at the front clubhouse. Last sale is at 6:30 and the games start at 6:45- See you there!

STARLIGHT RANCH BRINGS THE VACCINATIONS TO YOU!!!

A big shout out to all of the Fire Rescue individuals that worked so hard to bring the Pfizer vaccination shots directly to Starlight residents at the front clubhouse. Because this particular vaccine requires an allotted amount of time between doses, they had to come out on two separate occasions.

A big thanks to our HOA President James Irving who orchestrated the entire event. He worked closely with Starlight management and the Fire Rescue to get this special event up and running so we did not have to leave the grounds in order to receive the vaccinations.

Many members of the HOA board also volunteered their time and talents to assist in the event. Special thanks to Denise Koplak, Georgia Moffat, Phil Palumbo and Estelle Deneumoustier for all your help.

The event was a success and many residents are now vaccinated!

BE CAREFUL WHAT YOU WISH FOR...

A cab driver in New York City picked up a nun who was hailing a cab. As they took off towards the destination, the nun could not help but see a very huge grin on the drivers face.

When she inquired about it, the cab driver gave in and told her that one of the things on his bucket list was to kiss a nun before he died. The nun was a little shocked but decided to help him with his wish. She told him she would do it, but only if he was single and Catholic. He said he was both Catholic and single, and with that, the nun instructed him to pull over into an alley where she laid a huge kiss on him.

They got back on the route and the cab driver confessed he was really married and Jewish. The nun said, "Don't worry about it. My name is Kevin and I am on my way to a costume party!"
