Hello residents...

We had another great month! Thank you to all who came for the BBQ. Good food, good company and thanks to everyone who helped cook and serve and clean up. It takes a team to pull it off and we had a great time. Just to give you a peek of things to come as we will continue food giveaways. We will give notice by robo calls. As you may have noticed, the gate is working again. Please have patience as we have to help residents who struggle. We are now in hurricane season. I want to remind everyone that neither clubhouse is a shelter. Please know where local shelters are and be prepared by storing water, food and medicine for 3 days. Prepare now so you don't get stuck in long lines later. Thanks again to everyone. We have a great community with great people. Thanks, James

### "Killing Floor" by Lee Child

A review by Joan Stearns

"Killing Floor" is the debut thriller novel by Lee Child featuring Jack Reacher, published in 1997.

Jack Reacher gets off a bus in Margrave, GA, because he remembers his brother mentioning that Blind Blake, a Blues musician, had died there.

He is arrested shortly after his arrival for murder. While in custody, he meets Finley, Chief of Detectives and Roscoe, a female officer who believes him to be innocent. Reacher learns that the murdered man is his brother, Joe, who was investigating a counterfeiting ring. Jack can't leave Margrave until he knows who killed his brother. He uncovers the center of a huge counterfeiting operation that is controlled in Margrave.

Jack Reacher is one of my favorite characters. I hope you enjoy him, too.

Here are some pictures from the July BBQ. Everyone had a great time and plenty to eat from grilled hot dogs and hamburgers to baked beans and potato salad.

In August, we are going to have a great treat. The menu will be a complete dinner including homemade meatloaf and mashed potatoes with gravy, green beans and drinks. The “bring a dessert” has been a raging success as everyone enjoyed homemade cupcakes and other goodies. Let’s do it again! Sign up at the front clubhouse to confirm your seat(s). It is going to be the best one yet!

**Just a reminder to everyone....**

As the summer months continue and we have friends and relatives who are visiting us here at Starlight Ranch, please remember to go to the front office and get pool passes for them.

The pool monitors **MUST** turn away anyone who is not authorized to be there and if you do not reside here, a pass is the only way for them to get in. Please be considerate of all pool monitors who are doing their job and ensure you get passes for guests. **THANK YOU.**

A guy is reading his paper when his wife walks up behind him and smacks him on the back of the head with a frying pan. He asks, "What was that for?" She says, "I found a piece of paper in your pocket with 'Betty Sue' written on it." He says, "Jeez, honey, remember last week when I went to the track? 'Betty Sue' was the name of the horse I went there to bet on." She shrugs and walks away.

Three days later he's reading his paper when she walks up behind him and smacks him on the back of the head again with the frying pan. He asks, "What was that for?" She answers, "Your horse called."
