

SEPTEMBER

2021

Hello residents-

I want to remind you that hurricane season is upon us. Please make sure you know where to evacuate. If needed, special needs and pet friendly shelters are available.

I also want to review something I put in place at the last meeting about not taking questions in HOA meetings... THAT was a mistake and I am sorry. I will still have Town Hall meetings every 2 months and will allow open questions at HOA meetings. I want residents to be able air their issues as it is important that you feel your voice will be heard.

With that being said, I need your help. PLEASE join the HOA! The more voices heard allows me to negotiate from a position of strength, This community has great potential and we have great residents who deserve to feel safe and anyone struggling with food insecurity, there is help available.

Membership is good for one year and the annual dues are only \$10.00.

Thanks again for opportunity to serve you.

James Irvine

HOA PRESIDENT

Hola residentes,

Quiero recordarles que el tiempo de huracanes està aquí. Por favor de tener donde ir y también hay sitios disponibles que admiten a sus mascotas.

También quiero corregirme en lo que dije en la última reunion del HOA., de no aceptar mas preguntas en las reuniones del HOA. Eso fue un error, lo siento.

Yo todavía voy a tener las reuniones de Townhall cada dos meses. Y voy a permitir preguntas en las reuniones mensual del HOA.

Yo quiero que los residents puedan ventilar sus cuestiones. Es importante que sus voces se escuchen. Por favor de unirse al HOA entre mas personas me permite a mi negociar en una posición con fuerza.

Esta comunidad tiene un gran potencial. Tenemos residents genial que merecen estarseguros en su comunidad y el que està luchando con inseguridad de alimentos hay ayuda.

Presidente del HOA
James Irvine

LET'S DO OUR PART

The Covid Crisis has really taken its toll on all of us. From our personal lives to our professional lives, everyone has a story of some kind.

It is hard to believe that this has been such a burden for so long now. We all thought we were seeing the light at the end of the tunnel and then suddenly, the Delta variant appeared and sent us back to 2020 all over again.

Regardless of vaccination or no vaccination, masks or no masks, social distancing or not, do a wellness check on a neighbor and make sure they are doing ok. Make someone smile and know we will be alright.

FINGERS CROSSED!!!

It looks like retirees will get a raise next year.

The Senior Citizens League is a nonpartisan advocacy group for older Americans and has a history of accurately forecasting the annual cost-of-living adjustment. The group estimates the Social Security COLA for 2022 may be 6.2%.

The boost would be much higher than the 1.3% change made for 2021, which was one of the lowest increases Social Security has ever had.

TOTALLY ON THE MARK!

A woman told her friend, "I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising."

She said, "So, I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But by the time I got my leotards on, the class was already over."

Is Orlando Florida a good place to retire?

The Orlando metro area has more than 170 golf courses. Since the cost of living is reasonable, and great attractions abound, **Orlando has become a popular retirement location.**

Not surprisingly then, there are numerous senior housing communities in Orlando and the surrounding cities.

Welcome to Starlight Ranch everyone!!!

THAT'S WHAT YOU GET

FOR TRYING.....

A retired man now volunteers to entertain patients in assisted living homes and hospitals.

He visited one hospital in Brooklyn and brought along his portable keyboard.

After telling jokes and singing songs at patients' bedsides, he said farewell and, "I hope you get better."

One elderly gentleman replied, "I hope you get better, too."
