DECEMBER 2021

Hello Starlight Residents

I want to welcome our new board members- Mary, Jeffrey and Albert. Also, congratulations to Estelle for getting re-elected. We will get to work for the residents of Starlight immediately. Please be aware that the front clubhouse will be closed for remodeling. However, when possible, we'll move all activities and meetings back clubhouse to the front clubhouse where they normally were as opposed to the back clubhouse where some activities and meetings will take place until then.

I know gate issues continue, but we are working on getting it fixed soon as possible.

Residents who got vaccinated here will have booster shots available in January and we will announce the actual date soon.

Thanksgiving dinner will happen in the back clubhouse and I'd like to wish all of you a Happy Thanksgiving and Merry Christmas. Please remember to check on your neighbors. Thanks again and God bless.

President of Starlight HOA

ANOTHER GREAT FUNCTION

On November 18th, Starlight residents were treated to a food truck sponsored by Dedicated. The truck fed well over 100 residents in the community and got familiar with the services provided by Dedicated. Nice job everyone! Let's bring on the next function!!!!

SLOW DOWN!

An opinion piece by Mary Rivera

Everybody is in a hurry to get somewhere. Judging by the number of residents, visitors and vendors speeding through our community, it is a miracle we have not had a fatality. It is time again to remind the residents that there are speed limits on our streets inside the community.

Entering the park from Pershing Avenue to Ranch House Road, which is just past the first club house, has a speed limit of 10 MPH both ways entering and leaving the park.

Wild Horse Road has a speed limit of 25 MPH and ALL side streets have a 10 MPH speed limit.

When you speed, you are breaking the law. Also, it is illegal to not stop at all stop signs. I am positive that we can all think about complying with all the speed limits for the sake of safety.

There are no sidewalks on any of our side streets. We have many senior residents who walk through the park for recreation as well as rehabilitation. It is just plain selfish, careless and disrespectful not to obey the speed limits. Think of your parents and grandparents.

I have the confidence that we all can do our part to have a safer community.

See you all at the stop sign!

Sunday Mornings at Flea Markets

By Joan Stearns

Did you know that there is a new market in front of the Beall's at Lee Vista Promenade off of Eagle Watch Blvd.? I think it was just the second Sunday when we went and there were not many vendors. However, I bought this amazing necklace made out of paper! We usually go to the market at Lake Eola. It is hard to find a parking spot, the crowd is a little out of hand and there are too many dogs. The merchandise is expensive and so is the food! So why do we go? The prices are negotiable and the lake is just beautiful, not to mention the swans are magical.

Can you recommend any other places to go?

RESIDENT EDITORIAL

MOTORCYCLE MANIA, MAD DOGS AND OTHER MAYHEMS!

That headline sums up the current status of Starlight ranch. I would like to thank the board members who served this past year and are stepping down for various reasons. It's a thankless job. Also, to Phil, who is not going to be editor of the newsletter. He has done a terrific job. I hope he reconsiders. We have had our differences about my negativity, I am only speaking the truth. The things I write about are the complaints from the worried and concerned residents of our community, and also from my observations, as I walk the streets every day. When I talk to people when I'm out and about, I mention where I live, I get positive feed back about our little community, and how nice it appears on the surface. A woman at Publix did call us double wide people. I told her I live among the nicest people anywhere.

The last month has not been good, a house being robbed, and police raiding a house on the corner of Wild Horse and Stallion for domestic disturbance, Illegals, drugs, we will never know. That same house has had as many as 4 motorcycles crammed in the lanai. Those motorcycles and others speed up and down Wild Horse Rd. at all hours of the day and night, also speeding cars pass you for driving the speed limit. Residents have also complained to me about trying to back out of driveways and cars driving on their grass to park on aprons. The gate is still a problem, easy fix, we need a guard 24/7 to control who gets in our community. He could also open the gate to let repair men in and most important, emergency Vehicles. I haven't seen a tow truck in here lately, vehicles are illegally parked everywhere.

I was recently informed about 2 pit bulls on the premises illegally and attacking people walking their dogs on Hitching Post and lower Wild Horse, where a dog died. I talked to the couple, they are devastated. It's very sad. The feral cats are increasing again too. I also have been told about a mini ant problem. I have them too. Ant baits are working they invited all their friends over for dinner. I hope everyone had a nice Thanksgiving, If everybody wants this to be the best place to live for all, we have to work together. Get involved, join the HOA, especially my Hispanic friends and neighbors. \$10.00 a year is a bargain, HOA fees in other communities are in the thousands. Till next time.

Peace and Love,

Barrv Verenin
