MESSAGE FROM THE PRESIDENT...

Hello Starlight Ranch Residents

To start off with this month, I would like to share one of the things that I was thankful for on this year's Thanksgiving holiday. The membership and the Board of Directors voted for me to hold the seat of the President of our Starlight Ranch HOA for another year and after the show of support from our community at our last town hall, there is a lot of renewed energy with the team along with the knowledge that comes with all of our board members having put in the time and energy to be there for the community to help as best they can. All of our directors are holding the same seats they had before the election. As I said at that last Town Hall, since there was such a great turn out of residents showing up and wanting to talk about issues that we will try to have more town hall meetings after the election.

We have a town hall scheduled for December 10 at 11 a.m. I hope even with the holiday season upon us, we will get a strong turn out and keep the great energy going with hearing about concerns and ideas on moving forward to address those concerns and issues.

We are looking forward to building a stronger HOA membership this year and with the agenda that we really need to work hard at and to get the support of the community behind us. It is a very important time in our community to come together in unity and work together to help make our community the best we can along with getting to know each other better. It helps not only adding some joy and happiness in our lives, but will also help make our community a bit safer!!

Now that we have given thanks and got our belly's are full from Thanksgiving, it's time to celebrate the birth of our savior Jesus Christ and enjoy Christmas Day, May His blessings be with you !

Merry Christmas
And
Happy New Year!
Curt

IN MEMORANDUM

Roger Hurlburt passed away last month. Roger didn't hesitate to volunteer to edit our community newsletter. His sense of humor was enjoyed by lots of residents each month. Roger gave us his all.

Stephen Bagley longtime resident passed away last month. Steve always had a smile and a wave as he and his wife rode around on the golf cart.

Jacqueline Bedard (AKA "Jackie") passed over the rainbow bridge. Jackie was a resident of Starlight Ranch for over 25 years. Those of us who remember, Jackie was a front desk worker with Home Town America here at Starlight. Jackie was a huge part of our community. She was involved with many aspects including Friends with Veterans, weekly bread distribution, newsletter folding committee, and so much more. She was always willing to lend a helping hand.

Condolences go out the families, friends and neighbors within the community.

A LETTER FROM SANTA

Dear Starlight Residents,

Ho! Ho! Ho! And a Merry Christmas to all of you at Starlight Ranch. It has been one heck of a rollercoaster ride this year for most of you in this community.

I know the hurricane put a big damper on your back pool and caused your main road into the complex to be shut down, but it will not stop me and my reindeer from showing up Christmas Eve to drop off presents of good cheer.

There is so much to be thankful for.

After all, if you live here, you have had at least 55 Christmas years of memories behind you and hopefully many more.

Christmas takes on such a different meaning to you as you get older, but the energy and excitement of the holiday never goes away.

So my Christmas wish for all of you is to remember the good things that Christmas brings and always count your blessings. Those are real!

Love, Santa
