Hello Starlight Ranch residents

It sure is nice to see the bridge repair and replacement moving along and we know that a lot of residents are looking forward to having access through the main entrance and to be able to have delivery's find their home. We also know and hear from a lot of you about how upset you are about the back clubhouse and pool not repaired and open with all of the rent we pay for services that we do not get to use and enjoy. With that said there are residents upset that kids are taking over our adult pool. We have some meetings coming up to talk about these issues and hope to get some kind of help and answers. Be well and Happy  
Curt

Hola residentes de Starlight Ranch, Seguro que es agradable ver que avanzan con la reparación y el reemplazo del puente. Nos damos cuenta que muchos residentes esperan tener acceso a través de la entrada principal y poder recibir entregas en su hogar. También sabemos y escuchamos de muchos de ustedes lo molestos que están porque la segunda casa club y piscina no se repararon y se abrieron con todo el alquiler que pagamos mensualmente. No es justo que pagamos por muchos servicios que no podemos usar, ni disfrutar. Dicho esto, también hay residentes molestos porque los niños se están apoderando de nuestra piscina para adultos. Tenemos una reunión para hablar sobre estos problemas y esperamos obtener algún tipo de ayuda y respuesta. Esten bien y feliz. Curt

## Orange County Pet Laws.

**This is a reminder for all Starlight Ranch dog owners of their responsibility for owning a dog in Orange County. The laws are in place for a reason. Some residents are not following the law and are being inconsiderate, rude as well as breaking the law.**

**Law – 4-1-45: Restraint of dogs states in part:** “No person owning or having charge, care, custody, or control of any dog shall cause or permit, either willfully or through failure to exercise due care or control, any such dog to be upon any public property unless such dog be restrained by a substantial chain, or leash not exceeding six (6) feet in length, and is under the charge of a person competent to exercise care, custody, and control over such dog”. **You must keep your dog leashed anytime your dog is off your property. Your dog must be on a leash no longer than six (6) feet in length and in the care of a competent adult.** There are designated ‘dog parks’ throughout Orange County that lawfully allow the absence of a leash.

**Law-4-1-50: Dogs to be curbed states in part:** “A person having custody of any dog shall not permit, either willfully or through failure to exercise due care or control, any such dog to defecate or urinate upon any public area, private property, County park or beach. **The person having custody of any dog shall immediately remove any feces deposited by such dog**”. **Please clean up after your pet. BE A KIND NIEGHBOR.**

**JUNE**

What a special month most people get married in this month, also it's the start of summer.

Try and enjoy your space. I know there's a lot of negative things here no bridge, no use of the back pool, but there's a lot of good things here. I walked around the other day and saw some of the nicest gardens of flowers and vegetables and a lot of love put into the homes where we live.

It's not the load that breaks you down, it's the way you carry it.

The HOA Activities is looking for donations of any old kitchen towels. You can bring them to any activity or call Georgia (407-233-4053) to pick them up. Thank you in advance.

**JOKE OF THE MONTH**

A woman told her friend, "I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising."

She said, "So I decided to take an aerobics class for seniors. I bent, twisted, jumped up and down, and perspired for an hour. But by the time I got my leotards on, the class was already over.

**Did you know??**

Flag Day, observed annually on June 14<sup>th</sup>, celebrates the day in 1777 when the united States approved the design for its first flag. While its look has changed more than a few times over the years, the American flag has remained a symbol of freedom and justice

Both President Wilson, in 1916 and President Coolidge, in 1927 issued proclamations asking for June 14<sup>th</sup> to be observed as the National Flag Day. It's wasn't until August 3, 1949 That congress approved the national observance and Harry Truman signed it into law.
