

Hello Starlight Ranch I would like to start by saying this letter from the president has both much happiness and sadness due to it will be my last letter. We have our election for who will be the board directors this month and the new members have picked a new president. The part that has me very happy is some of the residents that have stepped up to be on the upcoming HOA board have already stepped up to do some events and got some great information and resources to help the community. This feels so good to see some of our residents stepping up to help unified our community after the HOA board has been trying for a long time to get residents to understand how important that it is to having a strong community to enjoy, feel safe and feel happy calling Starlight Ranch home. Another great issue is having our community clubhouse and the bridge back and looking great. The bridge was definitely one of those things you don't realize how important it is till you don't have it for a year. This project being done has made a big difference for our day to day life and most of us really do appreciate having it back. Above all the one thing that has made my time as the Starlight Ranch HOA president and director so great has been getting to know all of the great board members, volunteers and residents that have or still do live here at the Ranch. The more you know and

spend just a little time with you neighbors the safer you will feel. And who knows you might find a new friend. Thanks to all of you that have supported our HOA and me over these past years and know we are still here and looking forward to the new ideas and help from our new Directors moving forward. I will be staying involved with our HOA and putting more of my time into the seat on the select committee I have with NFP that has meetings with Florida ELS upper management. We have quarterly meetings that are very good sources of knowledge to hear how the corporation that owns our park is moving forward with managing ELS owned parks. Most of our meetings we take concerns from parks around the state and they do a great job of getting us answers or even changes in our communities. Thank you and many Blessings Curt

Hola Rancho Starlight Me gustaría comenzar diciendo que esta carta del presidente tiene mucha alegría y tristeza porque será mi última carta. Tenemos nuestra elección sobre quiénes serán los directores de la junta este mes y los nuevos miembros han elegido un nuevo presidente. La parte que me tiene muy contento es que algunos de los residentes que han dado un paso al frente para formar parte de la próxima

Junta de HOA ya han dado un paso al frente para realizar algunos eventos y han obtenido excelente información y recursos para ayudar a la comunidad. Se siente tan bien ver a algunos de nuestros residentes dar un paso al frente para ayudar a unificar nuestra comunidad después de que la junta de HOA ha estado tratando durante mucho tiempo de hacer que los residentes comprendan lo importante que es tener una comunidad fuerte para disfrutar, sentirse segura y sentirse segura. feliz de llamar hogar a Starlight Ranch. Otro gran tema es que nuestra casa club comunitaria y el puente vuelvan a lucir geniales. El puente fue definitivamente una de esas cosas que no te das cuenta de lo importante que es hasta que no lo tienes durante un año. Este proyecto que se está realizando ha marcado una gran diferencia en nuestra vida diaria y la mayoría de nosotros realmente apreciamos tenerlo de regreso. Por encima de todo, lo que ha hecho que mi tiempo como presidente y director de Starlight Ranch HOA sea tan grandioso ha sido conocer a todos los excelentes miembros de la junta, voluntarios y residentes que han vivido o aún viven aquí en el Rancho. Cuanto más sepa y pase un poco de tiempo con sus vecinos, más seguro se sentirá. Y quién sabe, tal vez encuentres un nuevo amigo. Gracias a todos los que nos han apoyado a nuestra HOA y a mí durante estos últimos años y saben que todavía estamos aquí y esperamos con ansias las nuevas ideas y la ayuda de nuestros nuevos Directores para seguir adelante. Seuiré involucrado con

nuestra Asociación de Propietarios y dedicaré más tiempo a ocupar un puesto en el comité selecto que tengo con NFP que se reúne con la alta gerencia de Florida ELS. Tenemos reuniones trimestrales que son muy buenas fuentes de conocimiento para escuchar cómo la corporación propietaria de nuestro parque está avanzando en la gestión de los parques propiedad de ELS. En la mayoría de nuestras reuniones, abordamos las inquietudes de los parques de todo el estado y ellos hacen un gran trabajo al brindarnos respuestas o incluso cambios en nuestras comunidades. Gracias y muchas bendiciones. Curt

I would like to thank everyone that contributes to the newsletter. I am looking forward to a new board and all the great things that will be happening in the community. Change can be hard for some people but it also gives new ideas to help the community become one. I was glad to see an increase in the HOA membership this year. I hope next year we can have a lot more involvement from the community. It is our community so let's join together and make it a great place to live.

Thank you,
